

~~CONFIDENTIAL~~

4 June 1953

MEMORANDUM FOR: Director of Central Intelligence
 THROUGH : Deputy Director of Intelligence
 SUBJECT : [REDACTED]

25X1A5a1

1. [REDACTED] 25X1A9a
 travelled [REDACTED] confer with officials
 of the [REDACTED] and personnel of its
 [REDACTED] to examine the circumstances
 underlying the resignation of [REDACTED] from the Directorship
 of the [REDACTED] from the Professorship of Geology and from the
 Executive Directorship of the Institute of Geodesy, Cartography and
 Photogrammetry. Since the resignation produced considerable confusion
 and dissension in the [REDACTED] threatening to impede progress on
 [REDACTED], efforts were directed to the elimination of
 the difficulties.

2. The Executive Director, [REDACTED] 25X1A5a1
 [REDACTED] and Assistant Director,
 [REDACTED] outlined in detail the circumstances leading to the resig-
 nation action on [REDACTED] (A detailed report, outlining the
 circumstances as related by Messrs. [REDACTED] is available
 in the Office of the Chief, Geographic Research (GR). Details of
 administrative alignment and provision for adequate security, relative
 to the continuation of contract work by the newly reorganized [REDACTED]
 were discussed and agreed to jointly by the Foundation representatives.

3. As a result of the series of conferences with the various
 individuals, referred to above, it is felt that the Foundation and
 [REDACTED] by their new administrative arrangement will assure
 continuation of project work to the satisfaction of this Agency.
